2026 PARTNERSHIP OPPORTUNITIES

MESSAGE

Thank you for your consideration in joining us for our upcoming Golf Invitational in support the Choo Smith Youth Empowerment Organization.

Our mission is to empower and strengthen the lives of the youth and families we serve. Through intentional programming, mentorship, and community engagement, we are committed to creating opportunities that help young people thrive and families grow stronger together.

This Golf Invitational is vital to the success of our work, as the proceeds directly support the youth and families in our programs. While we continue to invest our time, talent, and resources into this mission, we know that lasting impact is only possible through the support of dedicated partners and friends who believe, as we do, that it truly takes a village.

This year's tournament will directly fund our mentoring initiatives and youth development programs. These moments help shape confidence, character, and leadership, and the impact reaches far beyond the event itself.

I am deeply grateful to our sponsors, supporters, and special guests for your generosity and belief in this work. Your commitment allows us to continue empowering youth and strengthening families in meaningful and lasting ways. We simply could not do this without you.

From the bottom of my heart, thank you for standing with us and helping us build stronger futures for the communities we serve.

Warm regards,

Choo Smith

Philanthropist & Community Advocate & Chairman of the NBA Retired Player Association

The Choo Smith Summer Camp has been a pillar of youth development in Baltimore for over 20 years, impacting thousands of children and teens through holistic, year-round programming. More than just basketball, the camp offers a robust blend of Performing Arts, Financial Literacy, Civic Engagement, S.T.R.E.A.M., and Fine Arts, all led by top-tier instructors in their fields. With regular appearances by NBA players, the camp is powered by major partners like the Maryland Stadium Authority, Microsoft (STEM initiatives), the U.S. Securities and Exchange Commission (financial education), Baltimore City Recreation & Parks, and a strong coalition of colleges and universities. Anchored by Choo Smith's mentorship and life-skill guidance, the camp draws visits from the Mayor, television media, and other community leaders—making it one of the most enriching and celebrated youth programs in the region.
